A comic book illustration of a young man with blue hair and a green turtleneck. The man has a serious expression and is looking slightly to the right. The background is a solid yellow color. The style is typical of 1990s comic book art, with bold lines and flat colors.

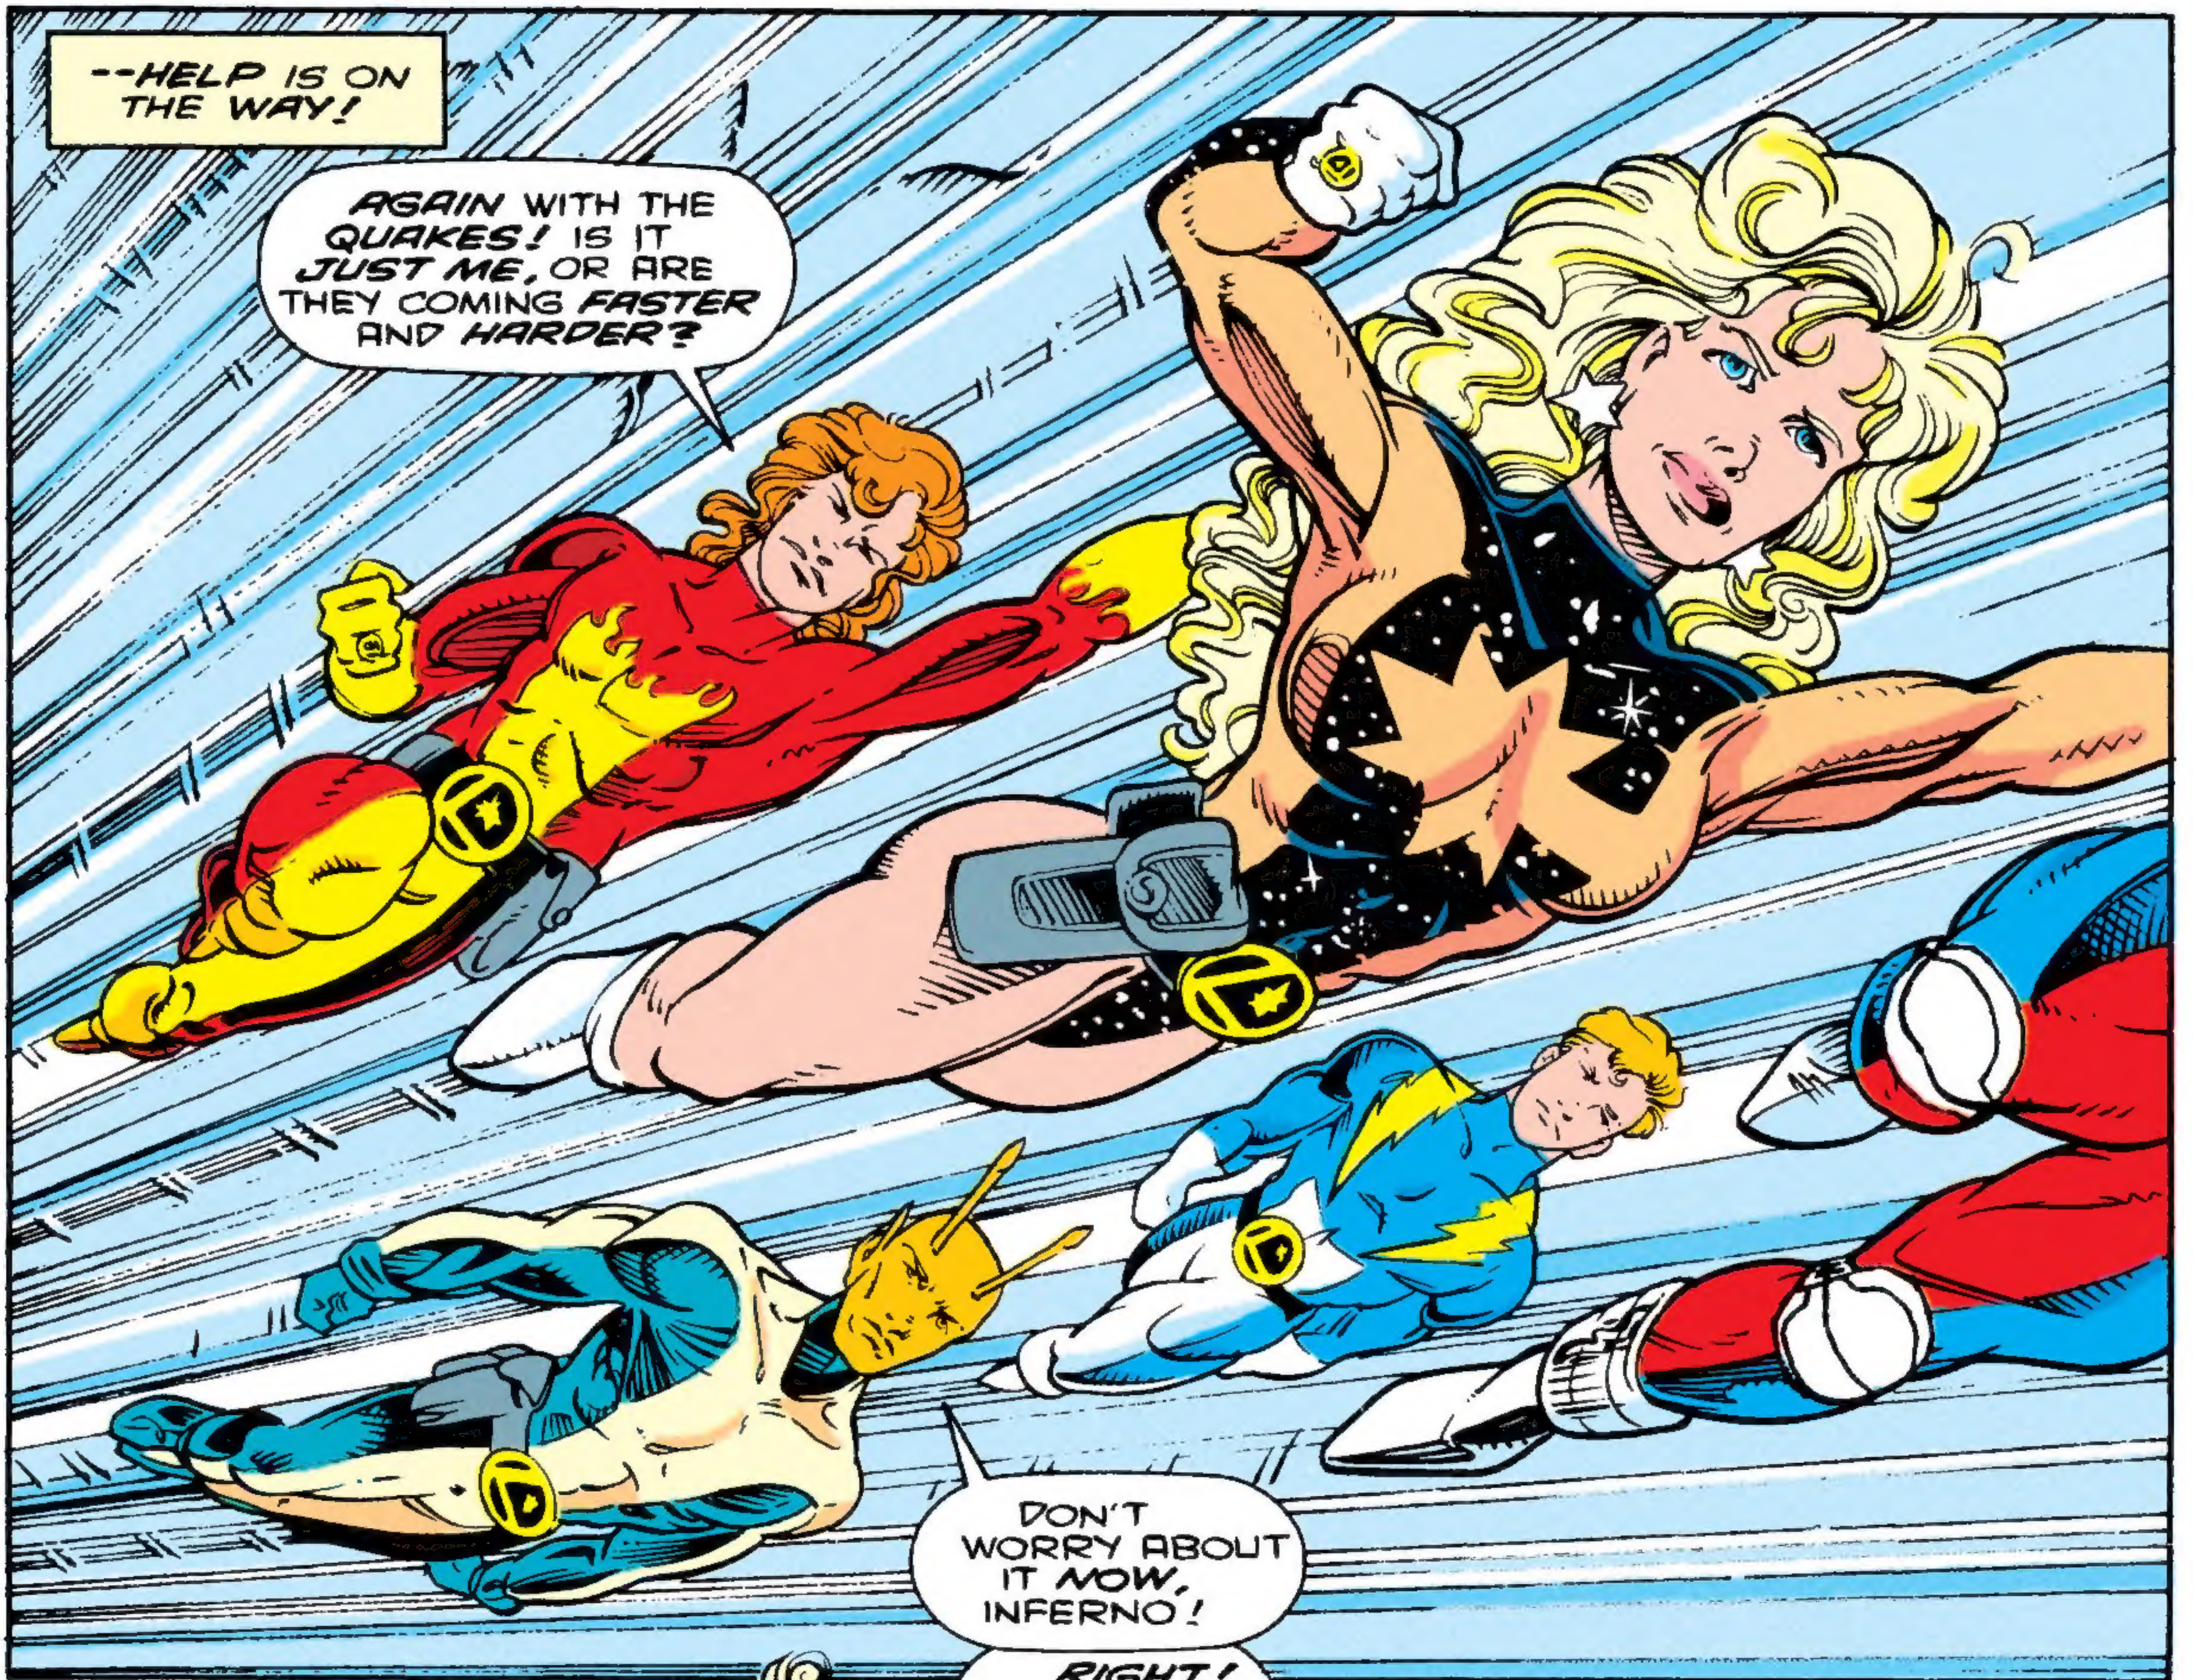

SAVED BY ZERO

A close-up comic book illustration of a blonde woman with blue eyes and a surprised expression, wearing a blue and white costume. This is likely a character from the Star Trek: Voyager comic book series.
